RESPONSE FOR REQUEST TO SUBMIT PRIORITY DOCUMENT

In response to the Notice of Allowance, mailed March 20, 2006, applicant called Examiner Kim to confirm the requirement to submit a certified priority document establishing the earliest claimed priority date in the above-referenced divisional case. Examiner Kim was unable to verify through the Patent Office database the priority document had been filed in the parent case application no. 10/298,721.

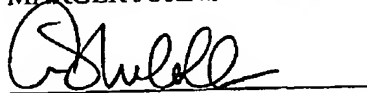

As instructed by Examiner Kim, applicant forwards a copy of the cover page from the certified copy of Korean Priority Document Application No. 2001 80481, filed December 18, 2001. Applicant also encloses a copy of the Notice of Allowability from the parent case '721, showing acknowledgement the Korean priority document was submitted and received by the U.S. Patent Office in the parent case.

Applicant requests that all conditions for the earliest claimed priority date have been met in the '754 divisional case.
